

Program Name: Sikh Lehar Students

Need:

The present young generation in Border States of India especially in Punjab is drifting away from the main stream of school education and are falling prey of the vices of drugs. This project has been set up to make humble efforts to save them from these vices by motivating them to continue their education, assisting the intelligent children of economical weaker families in pursuing education or to channelize their energies towards meaningful pursuits or assisting them to get religious education.

Special features:

This project shall be non political and non profitable developed to be run by Gram Vikas Sanstha for the uplift of the young generation in general and of the weaker sections of the society irrespective of religion, caste and creed i.e. the public in general.

Our Belief:

Belief in Supreme Power, the Almighty.

Mission: Service above self with integrity, open mindedness, interdependency, transparency, and accountability.

Integrity: Be Honest, fair and trustworthy in all activities of the project and obey applicable laws and regulations. Sustain a culture where ethical conduct is recognized, valued and exemplified by others.

Open mindedness: During the selection/deselecting process no consideration will be given to religion, caste, creed, political affiliation or personal relations.

Interdependency: Everyone will encouraged to participate in this cause

Transparency: The selection process will be kept transparent. The selection for the students who will get assistance for education will be selected based purely on merit after recommendation by the Govt. High School or Govt. Primary School Principal/Head Mater/Mistress. The selection of students learning Gurbani will be through open enrollment (1st January to 31st March each year) but number of kids selected will depend upon the funds available to the year. Any selected candidate will be evaluated regularly and can be deselected from the program if the student fails to keep the performance up.

Accountability: Gram Vikas Sanstha will be responsible to keep the fair accounts i.e. maintain complete and accurate records and accounts to reflect transactions and the disposition of assets etc.

BoparaiKalan.com being the affiliate website of Gram Vikas Sanstha, the accounts of Gram Vikas Sanstha will be published on BoparaiKalan.com on yearly basis for everybody's review. At the same time the Sanstha will read out the accounts regularly on monthly basis in the village.

Aims and Objectives:

1. To assist, finance, support any individual student and/or establish and maintain any institution meant for relief of the poor, educational relief.
2. To pay stipends, scholarships and other aids for studies in schools and beyond, in various educational and professional fields such as medical, engineering, management and law.
3. To promote the ideals of great men of our culture and religion field.
4. Keep the children away from drugs and divert their energy towards constructive fields by promoting and assisting them to get religious education.
